

**PRESBYTERY OF WEST VIRGINIA  
MANSE EQUITY POLICY**

At its meeting on August 21, 2004, the Presbytery of West Virginia passed the following recommendation:

That the Presbytery, beginning in 2006, requires a minimum manse equity allowance of \$500 per year for installed pastors living in manses. The funds are to be placed in a tax-deferred annuity. In addition, congregations are encouraged to implement the manse equity allowance in 2005.
