

Maureen Wright

Stated Clerk/Associate for Congregational Support

statedclerk@wvpresbytery.org

The Stated Clerk focuses on records, annual record reviews, stated and called meetings of Presbytery, parliamentary procedure, judicial process, policies, Presbytery Trustees, knowing and understanding the Book of Order, and overtures to the General Assembly.

The Stated Clerk is available to provide training for congregational Clerks of Session, including minutes and record keeping. She can help congregations to complete the annual, statistical report. The Stated Clerk can provide resources to develop manuals of administrative operations, sexual misconduct policies, and child and youth protections policies.

The Stated Clerk can guide churches on matters of property, connecting them with the Presbytery Trustees and legal counsel.

The Associate for Congregational Support focuses primarily on assisting small churches to inspire hope, generate vision, and challenge them to consider new models for ministry – especially new models of pastoral leadership. She is available to engage with any congregation seeking to discern God's call for their mission and ministry.
